NASHVILLE, TN – The 2017-Model Nashville International Auto Show is back and better than ever with more than 350 all-new vehicles, high-end exotics and over 25 test drive vehicles from 8 brands all coming to Music City Center! Held Friday, November 18 through Sunday, November 20, the auto show is designed as a one-stop shop to research, compare and try hundreds of new models on for size in a no pressure, non-selling environment. Whether you are in the market for a new vehicle, interested in the newest in-car technology, or just love cars – this automotive paradise is the place to be.

This annual event offers consumers the chance to compare the hottest new cars, trucks, crossovers, alternative fuel vehicles and more, all under one roof. With over 30 brands on display, attendees can sit in the driver's seats and take in the new car smell in their favorite vehicles from manufacturers such as Buick, GMC, Jeep, Nissan, Toyota and Volkswagen. Showgoers will also have the chance to explore all of the innovative technology currently being offered on automobiles. Significant upgrades in safety, entertainment and convenience features have made new models more sophisticated than ever. With so many new vehicles to survey, the auto show offers something for everyone.

Four special test drive events are taking place at the auto show this year, allowing attendees to help close the loop on their auto show research. **Drive FCA!** brings the hottest sellers from Chrysler, Jeep®, Dodge, Ram and FIAT for attendees to drive, including the rugged and ready Jeep® Renegade, hot-selling Chrysler 200, and the muscle of Dodge Challenger. Attendees can also get a real feel for the performance and handling of several new vehicles from Toyota at the **Toyota Drive Center**. Looking to go further? Check out the **Ford Go Further Test Drive** featuring the 2017 Fusion, Escape, Focus, Explorer and Mustang. Last but not least, get behind the wheel and enjoy **Chevrolet – The Drive**, where attendees can test drive award-winning cars, trucks and crossovers from Chevrolet with highly trained and enthusiastic product specialists who will accompany you on a route that takes you around Music City Center. Test drives are included with the price of auto show admission. Drivers must be at least 18 years or older, show a valid driver's license and pass a breathalyzer test. Passengers must be at least 8-years-old.

Sure to steal the spotlight at this year's show is the all-new Kids Test Track, where the family's littlest drivers can test out their skills on various electric powered vehicles before catching a spider's eye view of the show from the **Monster Spider Jump** bungee experience. For attendees looking to keep their two feet on the ground, McLaren will be displaying their exotic vehicles, *courtesy of McLaren Philadelphia*.
